

Nativity Academy is an independent Catholic middle school that, since 2003, has served young people who demonstrate academic potential and whose families are experiencing financial need.

Are you interested in joining like-minded community members and educators who are committed to providing a unique and transformative educational experience to young people in our community?

### **Qualifications and Experience**

- Bachelor's degree
- Valid Kentucky teaching license or certification
- Pass criminal background check
- Personal and professional integrity
- Commitment to the mission and values

### **Physical Requirements**

This position may require sitting, standing and walking. Physical requirements will vary depending on the specific duties to be accomplished. In addition, it is a requirement of this position that the successful candidate be able to maintain appropriate physical presence in the school building.

### **Compensation**

The position is full-time, exempt staff. As outlined in Nativity's personnel policies, you will be eligible to participate in the Archdiocese of Louisville's Employee Health and Benefits Program. Compensation will be commensurate with education level and/or experience.
